The President's Lowdown

Club members,

I just wanted to take a minute and thank everyone in the club for letting me be the President for the last four years. The torch has been passed to Scott Larson. I have taken the roll of Vice President to help with the transition. It's a lot of responsibility to be the President for the once a year Fremont meet. We overcame the date change last year do to Fremont's mistake. I was very happy to help with the solution. I think and the numbers show, it's a good change for the club and customers positive feedback was heard. We didn't lose money on the swap meet. It was a very short meet do to the weather. New problems are still rising from the city. I am confident that Scott and I can work through them to hopefully make things better each year. Scott has been working on rides with the President. He's planning short rides but fun as always. Can't wait. One thing I can say about the board everyone wants to see this club live on! We all need to always look for new members and stress how fun it is without politics! Just a great group of members! It's been a pleasure to be the President and a honor.

Again,Thank You!!!

Bob Hess Vice President

Notes from the Editor-in-Chief
